I therefore suggest that the General Manager, together with the two officials mentioned above may kindly be instructed to assist me at the hearing.

OFFICE OF THE DIRECTOR,

DEVELOPMENT DEPARTMENT, BANGALORE.

Sir,

Sub:- Appeal filed by the Government Electric Factory Labour Union against the award of the Industrial Tribunal regarding the bonus for 1949-50, 1950-51 and 1951-52.

I wish to state that the Industrial Tribunal, Bangalore gave an award in the dispute between the workers of the Government Electric Factory and the Management regarding their claim for bonus for the 3 years 1949-50, 1950-51 and 1951-52. The Award was published in the Gazette of 17-9-1953 and directed the Management to pay against the Bonus claim one month's basic wage or pay to each of the workers for the year 1951-52. The said Bonus has also been disbursed as per orders of Government.

The Labour Union however filed an appeal against the award claiming bonus equal to seven months' basic pay or wages for each worker for the three years - 1949-50, 50-51 and 51-52. The appeal has not yet come for hearing before the Labour Appellate Tribunal though it is nearly a year since it was filed by the Labour Union. According to Government Order the Advocate General is appearing for the Management. Sri G.V.Ramachar appearing for the Labour Union. The Labour Union has now (5-10-1954) addressed a letter to this office (copy enclosed) requesting to intimate the consent of the Management for presenting a joint application to the Labour Appellate Tribunal of India requesting for the appeal being heard at Lucknow during November '54. It is also stated that this procedure has been adopted by many parties with a view to settle the disputes.

In the circumstances, I request you kindly to ascertain the views of the Advocate General who is appearing for the Management of the Government Electric Factory in this appeal and obtain early orders of Government regarding the following:-

1. In case the proposal to file a joint application is approved and if the appeal is taken up for hearing by the Labour Appellate Tribunal of India, Lucknow during November '54, the Management has to bear travelling expenses as under:

The General Manager along with the Administrative Assistant and the Chief Accountant of the Factory would have to go to Lucknow and be present on the hearing dates to give all necessary assistance in the conduct of the appeal. The amount involved

p.t.o.

involved in the appeal is nearly Rs.3.5 lakhs. The expenditure towards D.A., T.A. and C.A. for the above journey of the Officers will be about Rs.2,000/- in addition to legal fees and travelling expenses of the Advocate General which will have to be met by the Factory under the head "Repairs and Miscellaneous".

I request you kindly to obtain early orders of Government in the matter.

Yours faithfully,

Copy of letter No.L/699/F dated 5th October '54 from the Government Electric Factory Labour Union to the General Manager, Govt.Electric Factory, Bangalore-2.

*****

We understand that some of the cases (of Mysore) before the Appellate Tribunal of India, Lucknow will be taken up for hearing in November '54.

The Bonus case of 49-50, 50-51 and 51-52 of this Factory and the Union is pending since a long time. We could also have the case posted for hearing in Novr.'54 provided both the parties apply jointly to the Tribunal and request the case to be taken up during the Novr.'54 Sessions at Lucknow.

This procedure is already adopted by many parties so that the disputes are settled early.

Hence we would request you kindly to intimate your consent for presenting a joint petition both by the Management and the Labour Union to the Labour Appellate Tribunal of India, for arranging the above appeal to be taken up for hearing during November'54 at Lucknow.
